Be it career, relationship, marital life, or work crisis.

Specific Dilemma Question

 Duration : 10 to 15 mins

At Ekohumm, we understand that time is unpredictable. We are often faced with sudden situations in life where we are short on time but have to indulge in important decisions that affect our futures substantially. It could be a sudden career shift, a health scare, or an urgent need to sell/buy a property. Since it's very time-restrictive, only three questions from one specific area of concern will be answered. It could be related to one's career, personal life, relationships, family, purchase decision, etc.

P.S - Slots for the session are subject to the availability of the astrologer

Other Services

Ekohumm also provides a series of other categories of services, including:

Vaastu

Buying a new home or office? Vaastu's direction-specific study of the foundation of a house, building, plot has the potential to alter one's quality of life for the better. Additionally, with a comprehensive Vaastu consultation, one can balance the energy surrounding their property and introduce stability and harmony in one's place of residence or work.

Ekohumm's comprehensive Vaastu evaluation can analyze the structure of your personal or professional premises to channelize abundance of wealth, prosperity, and happiness in life.

Business Name Numerology

Business name that is in harmony with that of the business partners involved can provide limitless success. It propels growth, generates steady profits, and promotes exponential expansion. We at Ekohumm follow a systematic process to help you overcome those business barriers with ease. To have a deeper understanding of this service, you may connect with us through WhatsApp.

Baby Name Numerology

Gifting your child with the right name has the potential to enhance their luck and fortune in life ahead. It introduces positive vibrations in their life that contribute to their growth, development, and success in the future. Ekohumm involves a blended approach of astrology and numerology to suggest the best name for the baby. Readings are based on the moon sign and the baby's nakshatra along with the calculation of the date of birth for maximum accuracy.

Name Change / Correction Numerology

Irrespective of what Shakespeare says, there is a lot in a name. It is your identity and a personification of who you are. But, did you know that it might determine your fate in life? Choosing a name that has a positive meaning and aligns with the harmony of your date of birth can bring peace and solace to a person's life. Ekohumm's services for name change/correction can unblock your path toward success.

Business Partnership Numerology

Turning a business into a profitable one isn't just destiny's play, it involves a lot of hard work, planning, and execution from the subjective business partners. Compatibility plays a crucial role in that. Business partnership numerology is accessible to proprietors, partnership firms, and private limited companies to assess the degree of compatibility among business partners.
